Public Sector Compensation Transparency Act – Salaries and Benefits Disclosure Jan 1, 2022 to Dec 31, 2022

The Public Sector Compensation Transparency Act ("PSCTA") requires public sector bodies to publicly disclose all remuneration paid to employees earning more than $141,183 in a calendar year. This disclosure is done by publishing a statement of remuneration, which sets out the required information for each employee over the threshold. The statement of remuneration must be published by June 30 each year for compensation paid in the previous calendar year. Below, pursuant to the PSCTA, is the required salaries and benefits disclosure information based on information provided by Service Alberta in the general form and manner determined by the Minister.   The Comma Separated Value, or CSV, file is available for download on the website at: http://www.ethicscommissioner.ab.ca/publications/annual-reports/
